

Pulaski Softball Organization
Pulaski Girls Softball Invitational Tournament
2012 10 U Rules

- Final Roster must be turned into tournament director 30 minutes before your first game – NO changes can be made after this time. All players must be from the same school or school district and a player may play on only one team during the tournament. With Tournament Director's approval, a team may use a player from another team from the same school and age bracket to fill an opening caused by hardship or injury in order to provide the minimum to field a team.
- Roster is limited to 15 players who have not reached their 11th birthday before January 1, 2012. Coaches must have available copies of birth certificates for proof of age, if requested by the tournament committee. Games in which an ineligible player has been used will be declared a forfeit.
- Home team decided by a coin flip. Teams need to communicate lineup changes and compare books. Home team is official scorebook keeper.
- Each game will be 6 innings. No new inning may start later than 1 hour, 15 minutes after the game's official starting time. There is no time limit for the Championship Game. The official starting time must be announced by the umpire, agreed upon by the head coaches and recorded by the official scorer (home team's book is official). In case of inclement weather, games and/or tournament format may be shortened at sole discretion of the tournament committee.
- Pitchers are limited to 3 innings per game. A single pitch constitutes a complete inning for that pitcher. Pitchers will pitch from 35 feet, and will be allowed 4 warm-up pitches between innings. A new pitcher will be allowed a maximum of 8 warm-up pitches. If the pitcher is stalling, in the umpire's judgment, play will be resumed.
- Trips to the mound may not exceed one trip per pitcher per inning.
- No stealing is allowed.
- Look-back rule is in play: When the defensive team has possession of the ball within the pitcher's circle in any live ball situation, runners on base have one second to either advance to the next base or return to the previous base.
- A runner may advance at her own risk 1 base on any over throw that lands in foul territory.
- A runner hit by a batted ball in fair territory is out unless she is on base. The play is dead, no runners advance other than from 1st to 2nd allowing the batter to go to 1st base.
- A runner interfering with a fielder attempting to play a batted ball is out. The play is dead, no runners advance other than from 1st to 2nd allowing the batter to go to first base.
- A fielder not trying to field a batted ball or a throw must get out of the way of a base runner. If the fielder interferes, the runner gets the base she was going to plus 1. With less than two outs, a runner on her way to 3rd automatically scores. If there are two outs, she scores only if the batter makes it safely to 1st base.
- Bunting is allowed.
- No infield fly rule.

- One walk per inning. This does not include being hit by a pitch. If a batter draws four balls, after the first walk, a coach will pitch using the pitched strike count. When a coach is pitching called and swinging strikes count, balls are not counted and the batter cannot advance if hit by a pitch.
- Teams may play with up to 10 defensive players. 6 infielders (including pitcher position), 4 outfielders. Outfielders must be beyond the outfield line until the ball crosses the plate. 9 players are required to start a game and 8 players are needed to complete a game. A team can play with 8, but must take an out in the 9th batting spot. 7 or less players at any time results in a forfeit. A 5 minute grace period will be provided by the umpire prior to calling a forfeit. Lineups must be provided to the official scorer at least 15 minutes before the scheduled start of each game. All players present on roster will bat in lineup, with late arrivals being added to the bottom of the lineup. Free defensive substitution.
- Profanity or harassment by a team member, coach or fans toward an opposing team or official will not be tolerated. No chanting. Good sportsmanship is required at all times. Unsportsmanlike activity can lead to ejection without warning by a tournament committee member or umpire.
- Teams must provide and wear their own batting helmets and catcher's gear. No metal spikes allowed. 11 inch softballs will be used.
- On a third strike, the batter is out even if the catcher drops the ball.
- Please keep the games moving. An intentional stall, as deemed by the umpire or a tournament committee member, may result in forfeiture of the game.
- Sliding is required if a play is being made upon a runner. It is the umpire's judgment whether or not a play is being made, and if sliding is necessary. A runner who does not slide will be called out. Runners should attempt to slide feet first on all close plays at any base (including a runner returning to first base after safely getting there, but not the initial play at first). A runner is out if she runs into a player trying to make a tag or tries to knock the ball loose. In a rundown, the base runner must remain in the baseline while trying to avoid the tag or she will be called out.
- During the preliminary games, if tied after regulation or tied after time limit has expired, only one extra inning will be played. If still tied at the end of the extra inning, the game will be recorded as a tie (½ win ½ loss). Championship games (wild card, semi finals and finals) will continue play until there is a winner. When extra innings are required, the international tiebreaker will be used. Last completed batter will start at second base. (This inning is not considered a regulation inning.) Once a pitcher has pitched 3 innings she will not be allowed to re-enter the game.
- A courtesy runner is allowed for the catcher and the pitcher. The courtesy runner will be the last player to record an out.
- Seeding bracket tie breakers after preliminary games.
 - Head to head competition.
 - Total runs allowed.
 - Total runs scored.
 - Coin flip.
- Any rules not covered here are governed by WIAA. The tournament committee reserves the right to change any of the rules listed above.
- Coaches and players are responsible for maintaining and cleaning their dugout after each game.
- Concessions will be provided. Please NO Carry ins.
